### RE: Fundraising

Dear **HIGH SCHOOL** Mountaineers' Families:

The NOPYL board recently implemented a new fundraising plan - we now require every *family* to sell 5 shaker sets of smoked salt as its fundraising obligation for the 2014 season. We've received much positive feedback about replacing the mandatory 25 hours with just 5 salt set sales. We find this to be a fair and reasonable solution to our fundraising dilemmas.

To get a jump on your fundraising obligation - you can get 5 sets now **or** wait and get them at registration<sup>1</sup>. The 5 shaker sets are \$100 (\$20/ea). Payment is due at the time the salt is picked up. We'll gladly accept cash or check, payable to NOPYL. For our records, you will be asked a receipt for the salt. Sell all 5 sets and you get **100%** of your money back! Use as gifts, stocking stuffers, donation, keep, etc. - it's up to you. Between teachers, parent co-workers, neighbors, friends, family and holiday gatherings, 5 sets should go fast.

We have 2 locations to serve you:

1. **Sequim**: text or call Mary DeFilippo, 425-290-2255; or email @ [wildnfree@wavecable.com](mailto:wildnfree@wavecable.com). You and Mary can arrange a convenient date/time/place in Sequim.
2. **Port Angeles** - Peninsula Bottling Company, 311 West Valley Street; 360-460-2401; [harryh@peninsulabottling.com](mailto:harryh@peninsulabottling.com). Hours 9-4, M-F.

I'm sending this notice to the High School at this time (we don't have enough salt sets available to distribute to everyone right now). A similar letter will be sent to our girls' and other boys' teams soon, but we need to create more shaker sets first.

100% of the funds raised will be used to help pay for our Mountaineers' league programs. Being a board member comes with responsibility. Often we have to make very hard decisions while trying to represent what is best for the Mountaineers. Together we can continue to build and grow the Mountaineers as a viable youth lacrosse organization. Thank you for your help.

If you have any questions or concerns, please do not hesitate to contact any Mary DeFilippo.

Sincerely,

NOPYL Board of Directors
